

Scientific Seminar

April 14th, 2025

“Dark matter in biology: The interplay between extracellular matrix (ECM) and glia in regulating plasticity in the central nervous system”

Speaker

Prof. Dr. Jessica Kwok

School of Biomedical Sciences,
Faculty of Biological Sciences,
University of Leeds

April 14th, 2025

Monday, 12:30 pm

Center for Biostructural Imaging of Neurodegeneration (BIN)

Von-Siebold-Straße 3a,
37075 Göttingen

Seminar Room

Host

Svilen Georgiev
